WELCOME TO Once Upon a Wrong Turn

About the Show...

The story follows Princess Emily, who has spent her whole life being taught exactly how a princess should behave, including following 'The Rulebook', finding her Prince Charming and becoming the "perfect" queen.

As Princess Emily journeys through the pages of familiar fairytales, she discovers that Cinderella, Rapunzel, Sleeping Beauty and Snow White have all rewritten their own happily ever afters. Along the way, Emily begins to realise that perhaps the best story is not the one you are expected to follow, but the one you choose to write for yourself.

A funny, magical musical about dreams, courage and discovering that sometimes your happily ever after begins with Once Upon a Wrong Turn.

Thank You for Being Part of the Magic

Thank you to every audience member for joining us,
to every parent for your support, and to the
Parow North Primary School staff for the countless hours
of creativity, care and behind-the-scenes work
that made this production possible.

A school production is about so much more than applause.
For some learners this may be a once-in-a-lifetime experience.
For others, it is a place to shine, discover their confidence
and feel that they belong. Performing gives children the freedom
to imagine, express themselves and experience the wonder
and magic of childhood.

We encourage you to celebrate your children, not for a perfect
performance, but for their courage to step onto the stage,
their passion and their willingness to try. Let them know
how proud you are that they dared to shine.

If we have given your child even a few moments of fun and magic,
we have achieved our goal.

**With heartfelt thanks,
The Producers & Creative Directors**
